

Subject: Critical Habitat for southern Puget Sound Orcas.

From: "Mary MANOUS" <mmanous@msn.com>

Date: Mon, 03 Jul 2006 14:21:17 -0700

To: orcahabitat.nwr@noaa.gov

BCC:

I am writing to communicate my support for designating all Puget Sound waters as critical habitat for the recovery of Southern resident orcas, including all waters, including nearshore waters of less than 20 feet, which are critical habitat for orca recovery. I also support special consideration and quick environmental review for military activities in Puget Sound related to national security but ask that all waters, including those near military facilities, be included as critical habitat.

Thank you for giving this careful consideration
